STOP

STOP !!!

The book is closed !!

No more forms will be accepted !!!

I stopped counting how many times I refused a form even if I clearly wrote that the book was closed !

Guys I can't make it all...

If I receive one more request on this book, the book will be permanently closed and will maybe get deleted.

I feel very pissed off right now.

Thank you understanding and sorry if I sound harsh

I'm just tired of being ignored.

Again, thank you understanding.

Start ! (CLOSED)

Rules :
- when I say it's closed, it's closed. Don't request or I delete your comment
- max four kits
- I accept gay and lesbian couple like tigerstarXdarkstripe and ivypoolXblossomfall
- I had an other book on my previous account. If you request a ship I already did, i will just use my ancient drawings of them.
- I only do canon. Don't ask for ocs

Form :
Ship (names)
How many (max four)
Number of tom
Number of she cats

MOVING !

Hello fellow comrade (don't even ask why lmaoo)

This account was hacked so I'm moving the book to my fresh new account @Running_around !
